Mediation Practice

My name: __________________________________________

My partner’s name____________________________________

My Side: My side of the story (using “I” Statements)

Your Side: My partner’s side of the story
Our Side: How could we resolve the conflict?

Next time: What could we do next time?
Mediation Practice Scenario

A and B are working on a project together. A keeps trying to make jokes and have fun. B just wants to get the work done. They have an argument, and the teacher tells them to work it out.
