

Song: A Quiet Place

There's a place I go,
When I'm feeling alone.
I think of you, right here with me.
That's where I go.
It's where I want to be, it's a quiet place.
It's my quiet place, where I want to be.

If I close my eyes, when I'm feeling low.
Flying like a bird, flying free. It's where I go.
It's where I want to be, it's a quiet place.
It's my quiet place, it's where I want to be.

As I make my way,
Through the longest days, darkest nights,
When I need some light.
There's a place I go
It's where I want to be, it's a quiet place.
It's my quiet place, where I want to be.

There's a place I go, When I'm feeling alone.
I think of you, right here with me.
That's where I go.
It's where I want to be, it's a quiet place.
It's my quiet place, where I want to be.
